FRIDAY

➔ FELLOWS RESEARCH, CASE AND POSTER COMPETITIONS

2:00–6:00

Fellows Oral Research and Case Competition

Michigan's cardiology fellows will present their research and challenging cases in this fourteenth annual competition. Winners to be announced at the Welcome Reception.

4:00–6:00

Fellows Poster Competition

Michigan's cardiology fellows will defend their posters for conferees and judges. Winners to be announced at the Welcome Reception.

➔ PRACTICE MANAGEMENT: THRIVING IN A CHANGING WORLD

1:00–6:00

Presented by Jim Palazzo, President of Paragon Health, in concert with Michigan's practice executives and cardiologists.

Hospital Alignment: What to Consider

Put your practice and patients in the optimum position. Take home specifics on employee models, lease models, clinical co-management, equipment lease models, and alignment toward quality.

The Nitty Gritty: Maximizing Efficiencies

Reduce cost, improve revenue, and increase efficiency by benchmarking your practice to national data and sharing successful strategies with your peers.

The Big Picture: Market Forces and You

Can private practice thrive or is it headed for extinction? Examine the market forces that impact cardiology group practices across the country and current dynamics in Michigan. Explore national and regional initiatives that shape how we will do business in the future such as Meaningful Use, Global Reimbursement, Hospital to Home (H2H), Accountable Care Organizations (ACO), and the Medical Home.
